The American Legion Auxiliary (ALA) Girls State program provides young women who have just finished their junior year in high school the opportunity to come together to study city, county, and state government. It enforces the understanding that every person is an integral part of the political process and has the responsibility to the world a better place regardless of religious or political beliefs. It provides an opportunity to form a local government structure to deal with problems and situations as they arise and to see the political process work effectively.

### **WHAT IS ALA MISSOURI GIRLS STATE AND WHAT CAN BE EXPECTED?**

ALA Missouri Girls State is an intensive week of government study and Americanism training sponsored by the American Legion Auxiliary. Americanism is the study of proper flag etiquette, fostering the respect that the American Flag is due while building a greater awareness of the flag's importance and significance in American History.

Upon arrival, each delegate is assigned to the Nationalist or Federalist political party -- neither of which is affiliated with the Democrat or Republican Party. Party spirit and cheering provides support to those who choose to run for political office. In addition, all delegates are assigned to a city and the delegates of each city are housed together the Ellis Residence Hall. Each city forms a city government with elected officials who carry out responsibilities and duties as assigned. Three cities form a county, again with duties and responsibilities performed by its elected officials.

Finally, the state government is formed. Each political party holds a state convention complete with platform, resolutions, credentials and regulations committees, candidate speeches and party spirit. The primary ballot narrows the party candidates to the final general election ballot which elects the Governor, Lt. Governor, Secretary of State, Attorney General, Treasurer, and Auditor. Elected state officials may be invited to return the following session to perform duties as assigned.

The Missouri Girls State Highway Patrol is formed to provide law enforcement assistance and education to the citizens of Missouri Girls State. The patrol assists by serving as the honor guard for the Governor, writing tickets, helping with court trials, and performing other duties as assigned.

The Missouri Girls State General Assembly is the legislative branch of state government; each city elects five (5) Representatives and each county elects four (4) Senators. The MGS General Assembly travels by bus to Jefferson City for its second session in the actual respective chambers in the Capitol building. During the week, the MGS General Assembly meets for several sessions to write, debate, and vote on various proposed bills.

Each delegate will select one of seven (7) classes to attend daily. Classes include Legislative Procedure, Law, Law Enforcement, Communication/Media, International Politics, Business School, and Executive/Leadership School. An exam will be given on Friday in each class. A passing grade on the exam, active participation in the week's activities, compliance with the rules and regulations, and attendance for the entire session [Sunday through Saturday morning] will enable a delegate to apply for two (2) or three (3) hours of college credit issued by the University of Central Missouri.

Normally, each day contains two (2) assemblies with guest speakers from political, business, and community service occupations. Delegates may participate in the MGS band or chorus, which performs prior to assemblies and as part of the Friday inauguration of state officials.

ALA MGS provides the opportunity to experience college living, meet new friends, and expand awareness of other types of Missouri living, either rural or urban. Additionally, ALA Missouri Girls State has a shoppe including a wide variety of souvenirs, clothing, and snacks for citizens to visit during the week. During free time, all delegates have the opportunity to network and share high school, student council, and club ideas and activities.

ALA MGS is a seven-day session which can be physically, mentally, and emotionally strenuous. The program is structured as a very intensive learning situation and involves a great deal of walking among campus buildings. Citizens of ALA Missouri Girls State will be responsible for participating in all of the scheduled events and activities, and will function on little rest or down time throughout the week.

If selected to attend ALA Missouri Girls State, a delegate or alternate must register and complete the online application form on the ALA MGS website and then submit it to her school for the required school signature. The application form, pledge form, contributing organization roster, and tuition fees must be received at ALA Department of Missouri Headquarters by March 1, 2018, deadline or before capacity is reached. The ALA MGS rules and regulations are listed on a screen in the online application process and in this booklet. The delegate or alternate must agree to comply with all of them.

## **ATTENDANCE POLICY**

**A delegate must remain at ALA Missouri Girls State for the ENTIRE session to be held June 24-June 30, 2018 to receive credit for completion of the program. The sponsoring organization, unit, and school are informed when a delegate fails to attend ALA MGS or leaves before the program is completed.**

All accepted delegates will download the complete delegate packet which will be available the first part of April 2018 from the website [www.missourigirlsstate.org](http://www.missourigirlsstate.org), which includes more information and forms to be completed and brought to Girls State.

The American Legion Auxiliary, Department of Missouri, Missouri Girls State reserves the right to accept or reject any delegate nominated to attend Missouri Girls State.

Any delegate of American Legion Auxiliary Missouri Girls State found to be violating ALA MGS rules and regulations will be subject to immediate dismissal without refund and barred from further participation in the program. The parents will be notified and requested to come pick up their daughter. The American Legion Auxiliary unit, contributing organization, and school will be notified when a delegate fails to complete the course, and a request will be made to the school that ALA Missouri Girls State be stricken from the delegate's academic record. A delegate who fails to complete the Missouri Girls State session without just cause, barring illness or death in the family, may be held responsible for reimbursing the delegate fee to her financial sponsor.

This policy applies to all ALA Missouri Girls State website and all social media platforms.

## **HEALTH AND MEDICAL POLICY**

During ALA Missouri Girls State, first aid and/or medical attention, if required, will be available. Every care will be taken to avoid accidents and prevent illness, but American Legion Auxiliary, Department of Missouri, Missouri Girls State will not accept responsibility for either injuries or sickness should they occur. The medical form must be properly filled out with the delegate's insurance and Social Security number. The release for emergency medical treatment must be signed by parent or guardian.

All expenses for the aide, including transportation, meals, and lodging must be assumed by the sponsoring organization. ALA Missouri Girls State will not be responsible for any expenses or providing any equipment.
